# GUIDING WORDS FROM FOUNDER

Dear Delegates,

It is with a deep sense of fulfilment and quiet pride that I welcome you to Shalom Harmonia 2026. Having witnessed the transformative power of education and dialogue over the years, I extend my heartfelt guidance and blessings as you step into this enriching journey of thought, expression, and leadership.

The future is not a distant horizon—it is already unfolding through your thoughts, your choices, and your actions. This platform transcends the boundaries of formal discourse, evolving into a meaningful experience where you discover your voice, broaden your perspectives, and step into leadership with grace and responsibility.

Change is not something to be awaited—it is to be envisioned and initiated with courage. The course of history has always been shaped by those who, even amidst uncertainty, have chosen resilience, empathy, and unity over division.

In this spirit, I encourage you to engage with depth, think with clarity, and express with confidence. Let your interactions be guided by openness, mutual respect, and thoughtful reflection.

As you immerse yourselves in this experience, may you rise above limitations, embrace challenges with determination, and emerge as compassionate leaders, ready to contribute meaningfully to an ever-evolving world.

With firm belief in your potential and the impact you are destined to create,

Dr (Mrs) Lilly George

# ADDRESS FROM SHERPA & VICE CHAIRMAN

**Mr Dennis George**  
SHERPA & VICE CHAIRMAN  
SHALOM GROUP OF SCHOOLS

Dear Delegates,

Leadership is not defined by position or intent, it is defined by clarity of thought, strength of conviction, and the ability to act with purpose.

Welcome to Shalom Harmonia MUN 2026—a platform designed not merely for discussion, but for disciplined thinking, meaningful engagement, and responsible leadership. Here, ideas are expected to go beyond expression; they must be examined, challenged, and shaped into perspective.

This is not just an assembly of voices. It is a space that demands depth and accountability.

You are expected to think beyond the obvious, question with intent, and contribute with a clear sense of responsibility.

In an environment where opinions are abundant but clarity is rare, your role is to bring substance to every exchange. Speak with purpose, listen with attention, and ensure that your contributions reflect both understanding and maturity.

You are not here to participate passively. You are here to engage, to challenge, and to lead. True diplomacy lies not in winning arguments, but in building understanding and driving outcomes that matter.

As you move through this experience, remember—leadership is ultimately reflected in the quality of your decisions and the impact of your actions.

With confidence in your ability to rise to this expectation,

Mr Dennis George

**Dear Delegates,**

True change is born the moment young minds dare to question, to challenge conventions, and to imagine possibilities beyond the evident. At Shalom, we are deeply committed to fostering an environment where learning transcends the confines of classrooms—where inquiry is encouraged, perspectives are respected, and intellectual courage is nurtured.

Shalom MUN Harmonia 2026 stands as a testament to this vision. It is not merely a conference, but a confluence of ideas—where dialogue becomes discovery, and differences evolve into deeper understanding. Here, you are invited to engage with complexity, to listen with empathy, and to contribute with purpose. As you navigate this journey, I urge you to approach every deliberation with thoughtful curiosity, articulate your perspectives with conviction, and remain anchored in integrity. The world you are preparing to lead demands not only intellect, but also character, resilience, and compassion.

As educators, we take immense pride in standing beside you—confident in your potential to shape a future that is both enlightened and humane.

**Dear Delegates,**

At Shalom, we believe that education, in its truest sense, is the cultivation of discerning minds and compassionate hearts—individuals who are equipped not only to understand the world, but to transform it with wisdom and integrity. Shalom MUN Harmonia 2026 embodies this ethos.

It offers a platform where informed dialogue gives rise to meaningful action, and where young voices are empowered to engage with the pressing challenges of our time.

It is within such spaces that leadership is not only discovered, but consciously shaped.

As you participate in this conference, I encourage you to think expansively, engage respectfully, and lead responsibly. Let your words be guided by insight, your arguments by reason, and your actions by empathy.

May this experience refine your perspective, strengthen your values, and inspire in you a lifelong commitment to thoughtful leadership and global citizenship. We look forward with pride and confidence to the impact you will create in the world beyond these walls.
